JEANIE BUSS

GOVERNOR

As Governor, Jeanie Buss oversees all aspects of the Los Angeles Lakers organization, working closely with both President of Business Operations Tim Harris and Vice President of Basketball Operations and General Manager Rob Pelinka. In 2020, Buss became the first female Governor to win an NBA Championship, as, under her leadership, the Lakers tied a league record with their 17th title.

Representing the team on the NBA's Board of Governors, Buss is currently a member of the NBA Advisory and Finance Committee, NBA Africa and serves on the NBA Labor Committee, which successfully agreed to a new collective bargaining agreement with the NBA Players Association in 2023.

Buss serves as an Honorary Trustee of the University of Southern California, her alma mater, and on the Board of LA2028, the group overseeing the return of the Olympics to Los Angeles in 2028. She is a co-host of Lakers All-Access, a yearly event presented by the LA Sports and Entertainment Commission (LASEC), a nonprofit organization which draws events and attractions to Los Angeles and sits on the board of the LASEC. In 2018 Buss received the prestigious Salvation Army's Sally Award for her and the Lakers efforts to benefit the organization.

In 2023 Buss won an Emmy Award for executive producing Legacy: The True Story of the LA Lakers a 10-part docuseries which aired on Hulu and Disney +. Buss is also currently involved with leading the revival of WOW – Women of Wrestling, which returned to television screens in 2022.

Buss is a strong advocate for mental health and wellness and was recently a guest speaker at Wisdom of Wellness WOW 2023, UCLA mental health summit hosted by Oprah Winfrey. Buss sits on the board of the Shaquille O'Neal Foundation and supports Baby2Baby, Canine Companions for Independence, Wags and Walks among her many other charitable endeavors, while also working internally with the Lakers Youth Foundation to raise money for Southern California Youth charities.

Jeanie recently wed actor and comedian Jay Mohr and is stepmother to his 12-year-old son Mackie Mohr.

ROB PELINKA

VICE PRESIDENT OF BASKETBALL OPERATIONS & GENERAL MANAGER

After six full seasons with the Lakers, Vice President of Basketball Operations & General Manager Rob Pelinka has transformed the team DNA, constructing a roster and staff that earned the franchise their 17th NBA championship in 2020.

Pelinka helped make one of the most significant free agent signings in team history in 2018 when the Lakers added four-time NBA MVP LeBron James, following that with a franchise-altering trade that brought eight-time NBA All-Star Anthony Davis to Los Angeles. With other key additions, Pelinka had assembled a championship contender. L.A. went on to clinch the top seed in the Western Conference, the franchise's 24th Pacific Division title and the team's first championship since 2010 by defeating Portland, Houston, Denver and Miami in the 2020 NBA Playoffs.

During the 2022-23 season, Pelinka reshaped the roster with moves that helped propel the Lakers to the Western Conference Finals. In January, he added dynamic forward Rui Hachimura to the young core. Pelinka followed that transaction at the trade deadline, acquiring 2019 All-Star D'Angelo Russell along with versatile defender Jarred Vanderbilt. After their successful run in the 2023 postseason, Pelinka got to work improving the roster in pursuit of championship basketball. Pelinka retained valuable members of the roster in re-signing Hachimura, Austin Reaves and Russell. In free agency, the Lakers brought in point guard Gabe Vincent, following his run to the 2023 NBA Finals with the Miami Heat, and bolstered the team's depth with the signings of sharpshooters Taurean Prince and Christian Wood, and recent lottery picks Jaxson Hayes and Cam Reddish. The offseason also saw the team select Jalen Hood-Schifino and Maxwell Lewis in the 2023 NBA Draft, while the team signed Colin Castleton, Alex Fudge and D'Moi Hodge to two-way contracts. Anthony Davis and Jarred Vanderbilt also agreed to contract extensions ahead of the 2023-24 season as the Lakers look to win the 18th championship in team history.

Off the court, Pelinka has reignited the Lakers commitment to player development by launching the Lakers Genius Talks, a series of life-skills discussions for Lakers players led by luminaries such as Denzel Washington, Kendrick Lamar, Allyson Felix, Dwayne Johnson and Elon Musk.

In his role, Pelinka coordinates all day-to-day functions of the Basketball Operations Department, helping to manage personnel decisions, contract negotiations, salary cap strategies and scouting. He oversees and collaborates with his staff on all offseason activities, including the draft process, summer league, free agency and training camp.

Pelinka joined the Lakers after spending the greater part of two decades representing many of the NBA's top players as an agent. Named by Forbes as one the Top 10 Sports Agents in the World, Pelinka's experience gives him a unique, player-centric perspective of the NBA landscape that has helped shape the core values for the franchise.

The Lake Forest, Ill., native earned his business degree from the Ross School of Business at the University of Michigan with high honors in 1993, before receiving his law degree, cum laude, from the University of Michigan Law School in 1996. While on campus at Michigan, Pelinka was a member of the 1989 NCAA National Championship basketball team, taking part in three NCAA Final Fours (1989, 1992, 1993) for the Maize & Blue. In 1993, Pelinka was named the NCAA Walter Byers Male Student-Athlete of the Year. Upon graduation, Pelinka practiced corporate law in Chicago and then embarked on a successful career as a sports agent, representing some of the all-time greats and many future NBA Hall-of-Famers, including the Lakers own Kobe Bryant.

Pelinka, 53, makes his home in Newport Beach with his wife, Dr. Kristin Pelinka, his son, Durham (15), and his daughter, Emery (13). Pelinka's off court interests include trail running, mountain biking, reading and spending as much time with his kids as his work schedule permits. Pelinka and his family take great joy serving in leadership capacities at The Exceptional Families Ministry of Mariners Church in Irvine, CA, and at The Painted Turtle Camp in Lake Hughes, CA. Pelinka is also a proud member of the Mamba & Mambacita Sports Foundation Board of Directors.

DARVIN HAM

HEAD COACH

Darvin Ham enters his second season with the Lakers in 2023-24, He was hired on June 3, 2022 as the 28th head coach in Lakers franchise history and the 24th in the Los Angeles era. Ham picked up his first career win as a head coach when the Lakers beat the Denver Nuggets, 121-110, on Oct. 30, 2022.

Ham guided the Lakers to a 43-39 record and the seventh seed in the Western Conference in his first season with the team as the Lakers advanced to the Western Conference Finals. Los Angeles finished the 2022-23 season ranked sixth in scoring (117.2) and ended the season with a league-best 14-6 record through March and April.

Ham, 50, joined the Lakers after serving as an assistant coach with the Milwaukee Bucks from 2018-22 where he helped the team to the 2021 NBA Championship.

A native of Saginaw, Michigan, Ham enjoyed an eight-year NBA playing career (1996-98, 1999-2005), suiting up with

Detroit, Atlanta, Milwaukee, Washington, Indiana and Denver. He appeared in 55 playoff games (11 starts) for Milwaukee and Detroit, averaging 1.3 points and 1.2 rebounds in 7.4 minutes per game and was a member of the 2004 championship team with the Pistons. He appeared in 417 career games (45 starts), averaging 2.7 points and 2.3 rebounds in 12.4 minutes per game. Ham played three seasons at Texas Tech prior to his professional career, playing 90 games (60 starts) and averaging 8.1 points, 5.1 rebounds and 1.0 assists in 22.9 minutes. Following his time in the NBA, Ham played internationally in Spain, the Philippines and Puerto Rico.

After his successful playing career, Ham began coaching in 2008 as an assistant coach with the New Mexico Thunderbirds of the NBA Developmental League before taking over as general manager and head coach of the team in 2010. In 2011, Ham joined the Lakers as an assistant coach, spending two seasons with Los Angeles. He would then spend five seasons as an assistant with the Atlanta Hawks (2013-18), including the final two season as the lead assistant, before joining the Bucks as the lead assistant coach from 2018-22.

Ham has also been a global ambassador for the sport, helping young athletes through coaching and participating in NBA Youth Camps in six different countries. He has participated in the Basketball Without Borders program in 2005 in South Africa, 2014 in Europe, 2015 in the Dominican Republic, 2017 in the Bahamas, 2018 in India and most recently during the summer of 2023 in South Africa.

He and his wife, Deneitra, who is an educator, have been married for 25 years and have three sons: Darvin Jr., Donovan and Dominic.

LOVE TOGHETHER BRASIL ONG • CELEBRATION 10 YEARS •
10 YEARS

Founded in 2013, Love Together Brazil's mission is to fight the drought in the hinterlands of Paraíba, in Northeast Brazil. In a decade, the NGO has already helped more than 155,000 people to have access to drinking water. Now, to celebrate its 10th anniversary, it will build an educational and sports center in the city of Piancó. This space, which will open in 2025, will serve children and adolescents, and will also offer medical care. Brazilian fashion has always supported Love Together Brazil and now embraces this project.

HelpCureHD aims to help improve the quality of life for those affected by Huntington's Disease by contributing financial, emotional, and mental support while trying to find the cure.

THE PROBLEM

There is no cure for Huntington's Disease. Currently, there is a 50/50 chance a child could inherit the disease if a parent has HD in their family line.

There is a way to stop the gene from being passed on, through in vitro fertilization, or IVF. A procedure that implants embryos that do not have the HD gene can cost upwards of $25,000 - $30,000. This treatment is the only way parents who are at risk can guarantee their biological child will be HD-free.

OUR GOALS

- Provide the finances for families who are at-risk and in financial need and are willing to undergo IVF in order to stop the HD gene from being passed on in their family line.
- Our broader focus is to continue developing partnerships with fertility clinics across the country and raising funds to help cover these costs for many more families.
- HelpCureHD has already awarded over 130 families through its grant program. That is over 130 families and future generations that will NEVER have HD.

LAKERS

The CALIFORNIA DREAM

The Lakers launched their 2023-24 Nike City Edition Uniform in November. These uniforms portray the evolution of the Lakers' identity. This is who they started as in LA and what they did to become who they are now. The inspiration behind the design was the concept of the California Dream, a notion that suggests this is where you'll make it—or break it.

LAKERS

The CALIFORNIA DREAM

When the Lakers arrived in 1960, they knew who they were and what they were made of, already with five NBA championships under their belt from their time in Minneapolis. But this new start on the West Coast was about who they could become. Because Los Angeles is the city of dreams. People move here from all over the country, the world. And with four million people residing in this desert metropolis, everyone's after one thing—their dream.

Now, California does carry the connotation of the coast with a laid-back vibe, a chill place with sprawling beaches, perpetual sunshine, and too much traffic (because everyone wants to live here).

And where these depictions are accurate it does not negate the hustle required to make it here. In fact, these reasons make reaching your dream harder. The comfort and charm of that LA lifestyle make it easy to lose sight of why you came; to forget what you're made of. With all this beauty around, you might start wondering if you should choose a smoother path. The allure of a faster, easier route to where you're trying to go will tempt you. So, you must check yourself: Are you really made of what you said you're made of? Can you handle this chase? Are you going to cut corners? Are more than anything else, are you going to decide to settle?

The CALIFORNIA DREAM

> *"If you don't stay true to your dream or what you want to accomplish, you could really lose that."*
>
> *—Austin Reaves*

People think it's so easy over here in Los Angeles, that what you're working for happens overnight — "It doesn't," Austin Reaves said before the question was even asked.

And while you're not dripping in grit or drudgery, you've got to have hustle and nerve if you're going to do anything here.

"For me, when I came here for the first time it was literally when I came and joined the team. I saw real quick that you could get lost in all the stuff because it's a great place to live, you have everything to do. If you don't stay true to your dream or what you want to accomplish, you could really lose that," Reaves explained.

Like the Lakers, the Arkansas native never doubted what he was capable of but also understood that there was more inside of him, and he tapped into that, he's still tapping—and so are they 17 championships later.

"Come out here with the workmen's mentality," Reaves said. "I feel like the city of LA especially really loves that."

The people that choose to do this don't spend a lot of time talking about the process because they're too busy doing the work, while everyone else is watching the results. And the results will come, but then you'll realize it's the process, the sacrifice, the dedication, the ability to do these things again and again, that's the dream.

The CALIFORNIA DREAM

"For me, I feel like I'm at the top," No. 15 said of being a Laker. "Especially where I'm from, the whole story of not being recruited much, having to transfer, then going undrafted. I tell people all the time that in a way I'm not supposed to be here; I really already beat the system."

He was supposed to be here though, right here. Because the thing about the California Dream is, if you have the courage to pursue it, it will always lead you to your destiny.

THE CALIFORNIA DREAM UNIFORM DETAILS:

Purple & Black

We went with the all-black uniform because when we first got to LA, we didn't know who we would be. The only idea of what we could be was the picture we had in our heads when we closed our eyes. And we were extra thoughtful with the purple and black trim detail. The trim goes from purple to black to purple as a nod to the sky after a California sunset. It's a part of the day after golden hour when you can't help but reflect on what you want and how much further you have to go.

The CALIFORNIA DREAM

Triangle Wordmark
The Los Angeles Lakers triangle wordmark is a throwback from our early basketball days and was a symbol we repped when we first started playing on the West Coast in the sixties.

Lakers Number Set
The number set is the same style as the ones on our jerseys from 1999-2017, the second period of time in the history of our franchise where we navigated growth and change.

LAL Buckle
LAL laid out on the belt buckle cements LA as our home; the Lakers are synonymous with the city. Coincidentally, LAL is also the acronym for Leave a Legacy.

Shorts Panels
On the short panels, we've introduced our official partial logo, LA complete with speed marks. The meaning behind this detail is how along this path of chasing our dream we've realized that every change we're willing to embrace is an addition to our nature, never a departure.

The mission of the Foundation is to support children and families in need through grantmaking in the areas of K-12 education, the arts and health and wellness. We at AEG believe that corporate philanthropy and community engagement play a critical role in helping communities thrive.

Crypto.com Arena and L.A. LIVE serve as the hub for community engagement and support employee volunteerism activities such as a company-wide Day of Service when, through a partnership with City Year, employees volunteer to refurbish local public schools by providing supplies, painting, cleaning and gardening services. During the month of December, L.A. LIVE is home of AEG's Season of Giving when the foundation spotlights more than two dozen local charities and community-based organizations and provides non-profits a platform to collect food, hold blood drives, register volunteers, educate the public and sign up mentors.

Crypto.com Arena has been designed with the fans of Los Angeles in mind. Guests who attend events are treated to the finest entertainment experiences imaginable. The arena has free public Wi-Fi, over 840 Toshiba flat panel televisions and (as part of a specially designed $1.5 million facility-wide sound system) 675 separate speakers outside of the seating area, so fans never miss any of the sights or sounds of a Crypto.com Arena event. Also featured is a $2 million specialty lighting package and other state-of-the-art amenities. In 2010, Crypto.com Arena unveiled its new $10 million center-hung video LIVE 4HD Scoreboard specially designed for the arena.

Along Crypto.com Arena's five concourses are 23 refreshment stands offering a variety of dining choices including the Fry Line on City View Terrace, a one-of-a-kind outdoor dining experience with a spectacular view of L.A. LIVE and the downtown Los Angeles skyline. The TEAM LA store located on the main concourse is a retail store featuring official merchandise from the teams and events that call Crypto.com Arena home with satellite locations throughout the facility and L.A. LIVE. Finally, the arena provides 55 public restrooms including three family restrooms.

Perhaps the greatest emphasis throughout Crypto.com Arena's development has been the recruitment and training of its guest services and security staff. The Crypto.com Arena experience is second-to-none from the entertainment environment to the staff's commitment to making every guest's visit a memorable one. Never has an arena had the amenities, features and commitment to quality service that Crypto.com Arena offers to guests each time the doors open for an event. Crypto.com Arena continues to set new standards for the arena industry.

Located directly across the street from Crypto.com Arena is L.A. LIVE, a one-of-a-kind sports and entertainment district in downtown Los Angeles. The four million square foot destination features Microsoft Theater, The GRAMMY Museum, Conga Room and The Novo, giving L.A. LIVE 'more music per square foot' than any other location in the world. The district offers a rich mix of local, regional and national restaurants including Yard House, Katsuya, Fixins Soul Kitchen, Fleming's Prime Steakhouse & Wine Bar, Tom's Watch Bar, Smashburger, Starbucks, Savoca, Sendero and coming in Fall 2023 Lazy Dog Restaurant & Bar and Craft by Smoke & Fire. L.A. LIVE also features 100,000 square feet of special event and hospitality space and the famous Lucky Strike Lanes and Lounge and the Conga Room. The development also includes a 54-story, 1,001-room convention "headquarters" hotel (combining JW Marriott and The Ritz-Carlton brands and 224 luxury condominiums – The Ritz Carlton Residences at L.A. LAKERS YOUTH FOUNDATION

The Los Angeles Lakers Youth Foundation is a registered 501(c)3 organization and the official team charity of the Los Angeles Lakers. The Foundation's mission is to help underserved youth develop their potential by providing positive experiences and resources in education, health and wellness, and sports. The Foundation also awards grants to other charities that support youth through direct services and programs in these areas.

COURT REFURBISHMENTS

The Lakers Youth Foundation is committed to providing youth access to quality programming and safe places to learn and play. Every season the Lakers Youth Foundation provides several basketball court refurbishments in the Los Angeles community. The new courts provide a safe place for youth to pursue healthy exercise and sports.

The Foundation has refurbished 40+ basketball courts throughout Los Angeles and Hawaii. These projects allow us to build professional quality basketball courts for the youth in our community. Each court refurbishment includes state of the art upgrades to the court, baskets, and overall appearance. The goal is to replicate the Lakers practice court so the youth can play the Lakers way.

BUSS FAMILY AND THE LAKERS

During his lifetime, as a result of his considerable charitable efforts, Dr. Jerry Buss was honored by a wide range of organizations that included City of Hope, NAACP, the B'Nai B'rith, United Negro College Fund, United Indian Development Association, National Organization of Women, Boys and Girls Clubs of America,

Muscular Dystrophy Association, the Los Angeles Human Relations Commission, Heart of Los Angeles Youth and Special Olympics of Southern California. Following in their father's footsteps, the Buss family's philanthropic and community support is as diverse as the community in which they live and work.

The Lakers and the Lakers Youth Foundation annually donate hundreds of thousands of dollars, tickets, merchandise, and autographed items to support countless neighborhood schools, charities, and youth groups as well as non-profit organizations that attend to the needs of communities in Southern California.

IN THE PAINT

In the Paint is an organizational initiative that recognizes, supports, and uplifts artists of color in Los Angeles.

The Lakers have been synonymous with the culture of Los Angeles since Dr. Jerry Buss bought the team in 1979. This culture has flourished for nearly 50 years and extends past pure entertainment but has roots in the arts as well.

In its third year, In the Paint strives to change the trajectory of a cohort of LA-based BIPOC (Black, Indigenous and People of Color) artists' careers through both in-kind funding and long-term programming supporting a creator economy.

The beauty of the city is the different stories that emerge from every neighborhood around this sprawling metropolis. As their home, the Lakers are honored to provide a platform to share these stories.

EDUCATION

The Lakers support several education-focused programs. The Lakers Literacy League is a free program for teachers intended to foster the joy of literacy in youth grades K-5 through engaging Lakers-themed challenges and creative projects. Teachers register their classrooms to receive a monthly newsletter with access to three main activities per month. Eligible members of the League then have the opportunity to win prizes for their entire class. To learn more or join the Lakers Literacy League, visit www.lakers.com/community/literacy-league.

NBA Math Hoops, presented by Comerica Bank, is a community program and curriculum featuring a web-based game that allows students to learn and practice fundamental math skills with the use of real statistics from their favorite NBA players. Math Hoops includes youth in grades 3rd-8th from Los Angeles Lakers community partners. The program, powered by Learn Fresh, leverages the game of basketball and the NBA/WNBA brands to build fundamental math and social-emotional skills through a physical and digital basketball-themed board game, a curriculum, and a community program experience.

CAMP LAKERS

Camp Lakers, presented by UCLA Health, is committed to providing young players with the ultimate Lakers experience. Camp Lakers features advanced and experienced basketball instructors, who teach with support and resources from the Positive Coaching Alliance and are overseen by members of the Lakers' staff. Camp emphasizes the fundamentals of offensive and defensive basketball taught the Lakers Way. A combination of drill

stations, games, league play, playoffs and awarded skill contests highlight an organized and structured week of fun for campers.

Each day special Lakers guests and staff visit Camp to meet and speak with the campers. On the last day of the week, the campers take a field trip to the Lakers facility to see for a once-in-a-lifetime opportunity to play where the Lakers practice.

CHICK HEARN NIGHT

To honor the legendary Hall of Fame Broadcaster Chick Hearn, the Los Angeles Lakers, Marge Hearn, and hundreds of fans, have contributed to the Chick Hearn Memorial Scholarship Fund, which supports two deserving Broadcast Journalism students at the USC Annenberg School for Communication and Journalism. Chick Hearn Night has been celebrated at the Lakers home game closest to Chick's birthday every season since his passing in 2002. In honor of Chick and to recognize the students, the Lakers invite the two recipients and their families to the game closest to Chick's birthday to watch warm-ups, meet the Lakers broadcast team, be interviewed, and celebrated with a halftime presentation.

LAKERS "TEAM UP"

The Lakers Team Up program echoes the team's commitment to the community and gives Lakers staff the opportunity to get out of the office and give back to the community in a hands-on way. Once a month, Lakers staff participate in a volunteer event that

supports the core pillars of Lakers Community Relations. These events are designed to make a positive impact in the community and encourage LA residents of all ages to volunteer and engage in community service projects.

GRANTING WISHES

In collaboration with wish-granting organizations, the Los Angeles Lakers regularly provide game tickets and arrange player meetings for children and adults facing life-threatening medical conditions. Over the past 20 years, the Lakers have granted over 400 special wishes for children and adults from all over the United States, Canada, and as far away as Israel and the Netherlands.

JUNIOR LAKERS

Junior Lakers is the Lakers' signature youth basketball program focused on developing fundamental skills, teamwork, sportsmanship and positive community involvement for Los Angeles youth. Powered by UCLA Health, the Junior Lakers program has an impact to reach over 130,000 L.A. youth basketball players. The Lakers provide resources and support to participating organizations to enhance their youth basketball curriculums.

The Lakers also teach participating groups to encourage youth to learn the Lakers-way-to-play which embodies hard work, health, teamwork, dedication, and integrity. Junior Lakers has year-round programming, with multiple events including: The Junior Lakers Tournament, Junior Lakers Night, basketball clinics, dance clinics, coaches training, a new season launch event and much more.

LAKERS YOUTH FOUNDATION IN-ARENA AUCTION

Lakers' fans have the opportunity to support the Lakers Youth Foundation and take home Lakers memorabilia at every home game. During each home game, the Lakers Youth Foundation will host a live auction at halftime. Items will be on display at Crypto.com Arena on the main concourse outside of Guest Services. Items range from current players including LeBron, AD and Reaves to Lakers Legends like Kareem and Magic. Proceeds raised at the live auction directly go towards the grants that the Lakers Youth Foundation awards each season, including the Quarterly Grant, YOU Grant and In The Paint Artist Grants.

COMPLIMENTARY GROUP TICKETS

Each year, the Lakers and the Lakers Youth Foundation donate several thousand tickets to Southern California non-profit organizations so that their members may enjoy a game together. Often, the complimentary group ticket is the non-profit member's first opportunity to see a Lakers game. Ticket requests can be made online at Lakers.com/community/giving.

HEALTH AND FITNESS INITIATIVES

The Lakers are dedicated to helping their fans live a healthy lifestyle. To emphasize the importance of health and fitness, the

Lakers sponsor programs that reward local students for being active about their health.

The Lakers Youth Foundation is proud to offer local organizations the opportunity to host a free basketball clinic and fitness clinics for children in their neighborhood. The clinics are designed to promote youth basketball, be interactive, make physical fitness fun, and teach kids how to stay active and healthy.

A SEASON OF GIVING

The annual Lakers "Season of Giving," presented by East West Bank, consists of several events centered around the holidays intended to bring joy and cheer to local underserved communities. The "Season of Giving" kicks off in November with the annual Turkey Giveaway at the Salvation Army LA Red Shield Community, followed by the Thanksgiving Feast, where guests are treated to a warm meal and a night of amusement. The "Season" rounds out with a Holiday Party for Kids, celebrating our young fans with Lakers holiday cheer. Current and former Lakers players join the events to interact with the community and provide a memorable holiday experience for all.

MILITARY APPRECIATION

The Los Angeles Lakers and Pechanga Resort Casino created the "Hoops for Troops" program in 2015 to honor those who serve and sacrifice for our country. Hoops for Troops basketball clinics offer the chance for U.S. Armed Forces servicemembers around Southern California to receive tips from Lakers legends on shooting, passing and ball-handling skills, as well as some friendly competition. After the clinic, participants and their families stay and enjoy the Lakers game.

MENTORSHIP

The Lakers celebrate the power of mentorship through several programs, including activities that pair staff with local high school youth to provide career advice and inspiration for the students as they navigate and prepare for their futures. The Lakers also host a Mentor Night and mentor-themed basketball clinics to provide opportunities for mentors and mentees to build relationships.

BUILDING BRIDGES WITH BASKETBALL

Through a combination of civic engagement, voter education, digital inclusion initiatives, and internal programs, the Lakers are committed to being an anti-racist organization. Building Bridges with Basketball is a program serves as an opportunity for members of the Los Angeles Police Department and at-risk youth from local community organizations to engage in conversations around dynamic topics. Using the sport as a bridge for these discussions, the ultimate intention is to break down barriers and build positive, lasting connections that last beyond each session and permeate the community.

The Black Action Network, an employee resource group, works to build inclusiveness and provide cultural opportunities for staff, including monthly Courageous Conversations around social injustices.

This summer, the Lakers hosted three interns from Fisk University through the NBA's HBCU Fellowship program. These programs, among many others, are part of the Lakers' dedication to making profound anti-racist change in the Los Angeles community.

LAKERS TECHNOLOGY ROOM LEGACY PROJECT

To top off the Lakers' 22-23 season, the Lakers and NBA Cares worked together to renovate a technology room at the Salvation Army LA Red Shield Community Center, located less than a mile from Crypto.com Arena. The Lakers turned the outdated tech room into a technology and STEM mecca, complete with a 3D printer and a virtual reality station, that provides a safe, stimulating, and comfortable environment for community center members to study, relax, and build meaningful relationships.
